FREE Final Mile Medal Celebration!

Congratulations!

You've almost completed your marathon! Join us for your Final Mile Medal celebration where Marathon Kids run the final part of their marathon and are awarded their official Finisher Medal!

Parents, families, and teachers are encouraged to attend and participate together! Everyone can run/walk!

Seating is first come, first to run, so please check with your teacher to see if your group is meeting outside the stands beforehand. Plan to arrive early. For everyone's safety, please do not attempt to save large groups of seats.

You will be running by section not by school. It is NOT mandatory to sit with your school. Ushers will not have information about where schools are sitting.

Children, teachers, and families run together. Registered children who cross the Finish Line earn their Finisher Medal!

IMPORTANT: There is no separate registration for this event. If you are registered with your Lead Teacher, you are registered for the FREE Final Mile Medal Celebration.

You **WILL** be running/walking at the event, so please dress accordingly. Make sure to check the weather reports too!

IMPORTANT

- If you would like your school to sit together, designate a meeting point outside the stands.
- Make sure you know where/when you will be meeting, if applicable.
- Group leaders – bring a school sign, so you can be easily spotted in a crowd.
- For everyone's safety, you will NOT be allowed to save large groups of seats.

When:

Saturday, February 25; 9 AM for Austin ISD, 11 AM for all other districts

Who:

Marathon Kids, teachers, and families

Why:

To celebrate the ceremonial end of this year's Marathon Kids program and earn your Finisher Medal!
