Attention 8th-11th graders!

Ready to design your future?

Not sure what classes to take next year? How will you fit in elective classes? Should you take AP classes? Learn what classes will help you survive your high school experience and help you get into the college program of your choice!

Students and Parents are invited to attend the Lake Travis High School Cavalier Showcase, a premier selection of courses and educational programs.

January 25, 2012
