

Serene Hills Welcomes Our New Superintendent of Schools, Dr. Lancaster

Our sailors have been anxiously awaiting the arrival of Dr. Lancaster, who visited us today. Prior to his arrival, students were informed about the role of a superintendent and a bit about his personal and professional background. The students have really been looking forward to meeting him in person. Make sure you ask your child about Dr. Lancaster's visit to Serene Hills today.

Dr. Lancaster will be present to introduce himself to our Serene Hills parents on Monday, February 6th at 9:30 a.m. and Wednesday, February 8th at 6:30 p.m. We will provide childcare during our evening meeting on Wednesday, February 8th. Childcare will not be provided at the February 6th meeting.

Following Dr. Lancaster's brief introduction to our school community, Jennifer Farley, our Elementary Curriculum Director, will present on the upcoming STAAR (State of Texas Assessment of Academic Readiness). This meeting is beneficial and informative for all parents regardless of your child's grade level. The STAAR replaces the TAKS (Texas Assessment of Knowledge and Skills) and is a much more rigorous exam which includes many changes from the TAKS. Please make plans to attend and hear about all of the changes that will occur with STAAR.

We look forward to seeing you soon as we give a warm welcome to our new Superintendent, Dr. Lancaster, and learn about the upcoming changes with the new STAAR.
