STUDENT PARKING RULES AND COMPLIANCE REQUIREMENTS

*ALL STUDENTS WHO WISH TO DRIVE ON CAMPUS MUST BE ENROLLED IN THE LTHS
STUDENT DRUG TESTING PROGRAM

Vehicles parked on school property are under the jurisdiction of the school. The school reserves
the right to search any vehicle if the school has reasonable suspicion to search the vehicle.
Students are responsible for the security of their vehicles and should make certain that vehicles
are locked.

- Students MUST possess a valid Driver's License, and LTHS parking sticker for the school year and be
  enrolled in the Student Drug Testing Program in order to park on campus.
- ALL LTHS parking stickers should be visible at all times from the front of the vehicle. The parking sticker
  should be placed on the driver side above the vehicle registration sticker. The sticker must be visible from
  the front of the car and needs to be on the driver's side.
- Failure to properly display the parking sticker will result in a $10 fine for the first offense with incremental
  increases of five dollars per infraction until the third infraction. Parking in Central Administration's parking
  lot (P9), fire lanes, and non-designated areas will result in a boot and a fine of $30.
- Failure to pay fines or repeated violations may result in a boot as well as being towed at the vehicle owner's
  expense, loss of driving privileges, and/or exemptions.
- Parking stickers are not transferable from one student to another. Students are NOT allowed to use another
  student's parking sticker. Doing so will result in the student's parking permit being revoked.
- Students who attempt to duplicate stickers, copy or sell parking stickers to other students are subject to
disciplinary consequences including loss of parking privileges.
- Any unregistered vehicle parked on campus with another student's sticker will be subject to a fine,
disciplinary action, suspension of parking privileges, and possible towing of the vehicle.
- All student parking is open—first come first serve. There are NO designated lots.
- Students are NOT permitted to park in the Administration Bldg lot (P-9), Round Gym (P-10), behind the
  Round gym (P-11), Staff (P-4), Visitor or ACC spots, or any spot painted with (STAFF). Parking in the
  Administration Bldg lot (P-9), fire lanes, or in designated maintenance areas will result in the student
  receiving a tire boot coupled with a parking citation for each offense that occurs.
- Students must park in the designated area between the hours of 8:00 AM and 4:30 PM. All vehicles must be
  parked in a marked space, between the white lines, and not in a reserved spot for school personnel or
  handicapped parking. Parking along fire lanes is not permitted.
- Only state-inspected and insured vehicles will be allowed to park on campus.
- All students leaving LTHS during school hours must provide the Parking Lot Attendant or Guard Shack
  Attendant, with either a release slip from the front office, a copy of their scheduling indicating they are
  allowed to leave, or be a senior with a designated off-campus lunch permission sticker on their school id.
- Students will be held responsible for any prohibited items found or seen in their vehicles.
- Students are not to leave the building to go to their car during the school day without permission from an
  Administrator, nor are they allowed to move their cars to a different parking location throughout the day once
  they initially park on campus.
- Students who are enrolled in Agriculture Courses are not allowed to drive to the barn once the school day
  starts. They can park at the barn ONLY if they have a first-period Agriculture course.
● Students are **NOT** allowed to loiter, **eat in their cars during lunch**, or hang out in the parking lot once they arrive on campus and must immediately enter the building.

● Students leaving campus during their school day without permission from an Administrator are subject to disciplinary action and loss of driving privileges.

● Reasonable, proper, and safe driving is always expected. All students are required to obey all traffic signs.

● Any decision concerning the revocation or suspension of parking and driving privileges rests with the campus administration.

● Students who change vehicles during the year MUST update their vehicle information in the Assistant Principal's Office with the administrative staff member overseeing parking.

All persons must follow the speed limits on this campus. Speeding will not be tolerated and anyone may lose driving privileges on this campus.
