Happy Spring, Parents!

Congratulations to all you 5th grade parents! You've almost made it! Your child will soon move on to their secondary education chapter—MIDDLE SCHOOL! Don't worry! We got you!

We welcome you to Lake Travis Middle School and to our PTO! We would love to have your join the PTO as members, volunteers, and supporters! Please register on our PTO website: www.ltmspto.org and then reach out via email, phone, or text and we'll get you plugged in!

Due to position changes and some of our volunteers moving on with their kiddos to High School, we have some openings that need to be filled. Please review the list of open positions below and let us know if you are interested or have any questions regarding the [DUTIES](#).
