

# Lake Pointe Birthday Book Program

Are you looking for a unique way to celebrate your child's birthday? By participating in the Lake Pointe Birthday Book Program, you can do something that is special and beneficial for our students.

## Happy Birthday

Here is how the program works:

- You or someone in your family donates \$20 to the school library in the name of the child.
- The week of your child's birthday, your child will get to choose a new book from the Birthday Book shelf during library class.
- A bookplate is placed in the book bearing the name of your child and a message that the book was donated in honor of his/her birthday.
- Your child gets to be the first student to check out the book.

If you are interested in participating in the program, please return the form below with cash or check made out to Lake Pointe Elementary.

Thank you for your participation. If you have any questions, please call Deborah Foster, librarian, at 512.533.6521.
