Parent Portal Registration

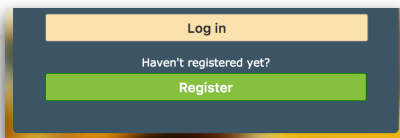

What you will need:

- The name of your child's campus
- Your child's Student ID
- Their date of birth

To register:

1

- Go to parent.smart-tag.net
- Click on the green "Register" button

2

- Enter your child's Campus Name
- Enter their Student ID
- Enter their Date of Birth
- Click "Find"

3

- Confirm the student pulled up is your child
- Input a valid email address and click "Email Confirmation Code" (we will not send and SPAM to your email)

4

- The confirmation code will be emailed to you and may take several minutes
- Once you have received the confirmation code, copy and paste it into the field on the next page

5

- You will now be taken to a page with your information
- Confirm the information is correct and create a password

6

- If you would like to receive SMART Alerts you can fill out your cell information on the next page (if you decide to skip this step you can always activate this feature later)

Once you've completed the SMART Alert page, you will be taken to your account summary. Your account has now been activated. Use the login button on the summary page to login to your account.
