

Howdy LTHS Parents,

If your student(s) needs to recover credit from a failed course please consider the following information: Summer School registration will be made available on the LTHS website starting May 11, 2020 and will end on May 31. **All registration must be completed online, available at [LTISD Summer School Registration](#)**

The summer session will **begin on June 1st and will conclude on June 25th**. There will not be a July Session. The entire program will be conducted online this year using either Edgenuity or Schoology depending upon the course in which your student is enrolled. Summer School will cover core classes only.

- For students who only need to recover credit for Quarter 4 of Spring 2020, they will sign up for a course beginning with 'Quarter 4 Recovery' that corresponds to the subject area in which they need to recover credit (i.e. *Quarter 4 Recovery High School Math*) To be eligible for this course, students must have a passing grade in that subject for Quarter 3. This course will be offered through Schoology and there will be no fee to register for this course.
- For students needing to recover Quarter 4 credit from Spring 2020 who also did not receive credit for Quarter 3 of Spring 2020, they will need to register for the entire Edgenuity course (i.e. *Physics A - HS Credit Recovery*).

There will be no End of Course Exam retakes this Summer.

If you have questions regarding which courses your student(s) needs to take during the summer session, please contact your student's counselor.
