Goals

Goal 1: Student Achievement:

Lake Travis Elementary will increase academic achievement for all learners while closing the gap between student populations in pursuit of "Masters" performance level using research-based best practices.

Performance Objective 1: 90% of all students (by grade, by subject, and by all grades tested in all student populations) will meet the passing standard in the state assessment system, STAAR (State of Texas Assessment of Academic Readiness) and 50% of all students will meet the standard to demonstrate the highest performance standard.

Performance Objective 2: LTE will increase the percentage of students who pass the Science STAAR by 5% annually as measured by the 2018 STAAR test.

Performance Objective 3: LTE will increase the percentage of students who pass the Reading and Writing STAAR by 5% annually as measured by 2018 STAAR administration.

Performance Objective 4: LTE will decrease the achievement gap in math between low SES and non-low SES students by 75% as measured by E3 growth data.

Performance Objective 5: LTE will move our campus growth measure into the high growth category as measured by E3 growth data.

Goal 2: Community Investment and Support:

Lake Travis Elementary will welcome, inform and engage students, parents, and the community regarding the educational priorities, processes, initiatives, and challenges of the District/Campus.

Performance Objective 1: LTE will provide 4-5 events throughout the year that inform students, parents, and the community regarding educational priorities, processes, initiatives, and challenges of the District / Campus.

Goal 3: Curriculum and Instruction:

Lake Travis Elementary will develop, implement, assess, and support full implementation of the learner-centric model which includes a high quality, vertically aligned framework that supports planning, instruction, learning environment and professional practices and responsibilities.

Performance Objective 1: LTE will focus on common best practice and common assessment to facilitate strong PLC's that drive continuous improvement.

Performance Objective 2: Administrators will increase walkthroughs by 50% as compared to 2016-2017 to positively impact the learner centric model.

Goal 4: School Environment: (Chapter 37 / Discipline - Law and Order)

Lake Travis Elementary will provide an educational environment that reflects a commitment to student social and emotional wellness, safety, security, orderliness, service, integrity and high standards of citizenship among students, staff, community, and visitors.

Performance Objective 1: LTE will increase awareness and implementation of the OLWEUS bullying prevention program among new and returning staff.

Performance Objective 2: LTE will increase monitoring and support for students who struggle by monitoring the RTI process through Eduphoria bi-weekly.

Performance Objective 3: Administration will increase the staff's perception of support and connectedness by showing increase as measured by annual surveys.

Performance Objective 4: LTE will increase parental involvement in school activities by 5% as compared to 2016-2017.

Goal 5: College and Career Readiness (P-16):

Lake Travis Elementary will design programming that equips all learners in developing their voice, focusing on a growth mindset, resiliency, and grit to become socially, emotionally, college, career, and life ready.

Performance Objective 1: LTE will increase awareness among students regarding career and college opportunities.

Goal 6: Highest Quality Staff:

Lake Travis Elementary will recruit, hire, develop, and retain the highest quality faculty and staff.

Performance Objective 1: Provide quality professional development opportunities in a variety (online, in person, and via social media) of formats for all staff on an ongoing basis.
